

# TSRT04 Introduction in MATLAB Certificate

*Please make sure that the teaching assistant signs the respective parts as **your** proof of completing these parts of the examination.*

*Keep this paper until you have received the course credits!*

*Please, use ink!*

## Students:

(1) Name: \_\_\_\_\_ Swedish personal number: \_\_\_\_\_

(2) Name: \_\_\_\_\_ Swedish personal number: \_\_\_\_\_

•••

## Plot assignment: \_\_\_\_\_

(1) Passed on date: \_\_\_\_\_ Signature: (TA) \_\_\_\_\_

(2) Passed on date: \_\_\_\_\_ Signature: (TA) \_\_\_\_\_

•••

## Mini-project: \_\_\_\_\_

Good coding features	
Functional	The code accomplishes the task.
Readable	Well commented with good choice of function and variable names
Modular	Reuse of code through functions
Efficient	Efficient implementation without any obvious bugs
